Darlene Staffeldt, State Librarian

Dear Friends:

I hope that you'll find this directory helpful for a variety of purposes. To improve the accuracy and the currency of the directory, we have only published full information from libraries that have updated or verified their listing since January 2006. Thank you to those library staff members who took the time to do so.

Libraries that have not updated or verified their listing since January 2006 have a partial listing consisting of the library name, mailing address, and phone number. We have also included the date when the information was last updated or verified. If the library has never updated or verified its listing the date field reads N/A.

Updating or verifying your library's information is easy – just follow these steps:

- Go to: <http://montanalibraries.org/Directory/Main/mldHome.asp>.
- Click the "Edit" button.
- Use the drop-down lists to narrow the search for your library, and then click the "Search" button.
- Click on the name of your library. This will bring you to your library's login screen.
- Enter the password that you use to access your library's directory listing. (If you don't have your password click on the line "Help!!! I can't remember my password!" or send an E-mail request to [dcaban@mt.gov](mailto:dcaban@mt.gov) with the name of your town and library).
- Click on the "Login" button. This will bring you to the Main Menu.
- From the Main Menu update or verify your library, employee, and board information as needed. Always use the "Buttons" at the bottom of each page to submit your updated or verified information to the State Library.

As in past years, the Montana State Library provides each library that updated its listing within the time allowed, one paper copy of the directory. If you would like more copies, we also offer this publication online. To view or print this document go to <http://msl.mt.gov/printdirectory>. To obtain the most current library contact information go to <http://msl.mt.gov/librarydirectory>. We encourage you and your staff members to use these online versions.

We welcome your questions and comments about this publication. Please contact our office at (406) 444-3115.

Sincerely,

A handwritten signature in cursive script that reads "Darlene Staffeldt".

# Networking Task Force

---

Fifteen Montana librarians and library users comprise the Networking Task Force. Members represent all types of Montana libraries (academic, public, school and special), from all over Montana. The Task Force advises the State Library in matters relating to library networks, resource sharing, library automation, online library resources, and training.

Special Resources: Not sure how unique our library is, but our library has an arcives room with all of the past newspapers from the community. We have a Montana History collection along with Montana authors past and present. We have up to to date best sellers that we get through the McNaughton Book Rental Service, and through Landmark Audio Adult fiction that the library rents. The community is very proud of their library.

Special Resources: In addition to our general K-12 school library collection, we house a small selection of Braille, Large Print, and audio books. MSDB also maintains professional and outreach materials related to working with sensory-impaired students. Further, MSDB manages the Captioned Media Program, a free-loan resource for deaf individuals of any age, as well as their parents and teachers. Also, MSDB orders outreach materials through American Printing House for the Blind, a federally-funded resource for qualifying blind and low-vision students.
